

TRANSFER AGREEMENT FOR BACCALAUREATE DEGREE

**Southern Maine Community College
& University of Maine Farmington**

Statement of Purpose

Southern Maine Community College (SMCC) and the University of Maine Farmington (UMF) have entered into this transfer articulation agreement. The purpose of this agreement is to facilitate student academic transfer and provide a smooth transition from a two-year community college to the University of Maine Farmington. This agreement shall describe the required program of study at SMCC and the specific course equivalencies for the UMF Baccalaureate Degree Program indicated.

Terms & Conditions of Academic Credit Transfer

To: Bachelor of Arts (B.A.) in Biology – General Biology concentration

From: Associate in Applied Sciences (A.A.S.) in Biotechnology

The evaluation and transfer of earned college credits shall be in compliance with state and federal education policies and institutional and academic program accreditation standards pertaining to undergraduate academic transfer. Current students and graduates who have earned degrees from Southern Maine Community College shall be eligible for credit evaluation under the terms of this agreement.

Transfer students will be accorded the same standards and criteria for admission to a major degree sequence as UMF students. All applicants accepted to University of Maine Farmington's Baccalaureate programs must fulfill the graduation requirements of the granting institution as identified in Appendices A, B & C.

- **Appendix A** Contains Admission Requirements of the Receiving Institution
- **Appendix B** Contains Side By Side Course Equivalency Tables for the academic program listed above
- **Appendix C** Contains a four-semester map of remaining courses to be taken at UMF

TRANSFER AGREEMENT FOR BACCALAUREATE DEGREE

Articulation Agreement between Southern Maine Community College & University of Maine Farmington

APPENDIX A

Admission & Graduation Requirements of the Receiving Institution

This agreement includes specific requirements for admission into a program, outlines requirements, and indicates which degree or diploma can be used to meet program prerequisites as well as general education, major or program, and graduation requirements.

Admissions Requirements

- Successful completion of the Associate in Applied Sciences - Biotechnology
- submission of completed admission application
- transcripts and other supporting materials.

For coursework to transfer to UMF, a student must earn a grade of C- or better.

For a list of application instructions and checklist: <https://www.umf.maine.edu/admissions-aid/>

Requirements for the Bachelor of Arts (B.A.) in Biology – General Biology concentration

(See Appendix C)

Remaining required course work is listed in Appendix C; a complete list of required courses can be found here <https://www.umf.maine.edu/academics/academic-catalogs/>. Student must maintain a cumulative GPA of 2.0 to graduate, and earn a C- grade or better in all courses required for the major.

Residency Requirement

All students in baccalaureate degree programs must earn the following from the University of Maine at Farmington:

- 1) A minimum of 18 credits required by their major program(s) at the 200 level or above*
- 2) A minimum of 30 total required credits

*An academic program may require that more than 18 credits of advanced coursework and/or specific coursework, such as a capstone course, be completed at UMF.
