TRANSFER AGREEMENT FOR BACCALAUREATE DEGREE

Eastern Maine Community College & University of Maine Farmington

Statement of Purpose

The purpose of this agreement is to facilitate student academic transfer and provide a smooth transition from Eastern Maine Community College (EMCC) to the University of Maine Farmington (UMF). It is recognized that this agreement shall describe the required program of study at EMCC for admission eligibility to University of Maine Farmington and the degree program indicated.

Terms & Conditions of Academic Credit Transfer

To: Bachelor of Science Early Childhood Special Education, UMF, Birth to 5 Certification From: Associate in Applied Science Early Childhood Education, EMCC

The evaluation and transfer of earned college credits shall be in compliance with state and federal education policies and institutional and academic program accreditation standards pertaining to undergraduate academic transfer. Current students and graduates who have earned degrees from Eastern Maine Community College shall be eligible for credit evaluation under the terms of this agreement.

Transfer students will be accorded the same standards and criteria for admission to a major degree sequence as UMF students. All applicants accepted to University of Maine Farmington's Baccalaureate programs must fulfill the graduation requirements of the granting institution as identified in Appendices A, B & C.

<u>Articulation Implementation and Agreement Review</u>

The Chief Academic Officer designee of the collaborating institutions shall be responsible for implementing this agreement, for identifying and incorporating any changes into subsequent agreements, and for conducting a periodic review of this agreement.

Signatures to this Agreement

This agreement becomes effective September 1, 2023 and will be reviewed Spring 2026 for renewal discussion.

APPENDIX A

Admission & Graduation Requirements of the Receiving Institution

This agreement includes specific requirements for admission into a program, outlines requirements, and indicates which degree or diploma can be used to meet program prerequisites as well as general education, major or program, and graduation requirements.

Admissions Requirements

Successful completion of the EMCC Associate in Applied Science Early Childhood Education, submission of a completed admission application, application fee (currently waived), official transcripts from all colleges attended, and other supporting materials. For coursework to transfer to UMF, a student must earn a grade of C- or better.

Requirements for the Bachelor of Science Early Childhood Special Education, Birth-5 Certification

(See Appendix C)

The information contained in Appendices A, B & C is accurate for:

EMCC catalog year 2023-2024: EMCC Catalog UMF catalog year 2023-2024: UMF Catalog

Residency Requirement

All students in baccalaureate degree programs must earn the following from the University of Maine at Farmington:

- 1) a minimum of 18 of the credits required by their major program(s) at the 200 level or above*
- 2) a minimum of 30 of the total required credits
- *An academic program may require that more than 18 credits of advanced coursework and/or specific coursework, such as a capstone course, be completed at UMF.

^{*}EMCC General Education Elective distribution: Communication – 3 credits; Humanities or Social Science courses – 9 credits; and Math/Science courses – 10 credits. See current course equivalency tables on Mainestreet at https://mainestreet.maine.edu to select courses that will fulfill UMF General Education requirements. General Education courses listed are suggestions.

Note: A course grade of C- or higher is needed for a course to transfer to UMF. A grade of C or higher is needed for ENG 101, and after transfer, a grade of B- or higher is needed in all Early Childhood Special Education professional education courses to satisfy UMF's Early Childhood Special Education program requirements.

General Education Requirements for the Bachelor of Science in Early Childhood Special Education at UMF:

General education courses must total 40 credits in the following areas. Some of these course requirements can be satisfied through the general education course taken as part of EMCC's AAS in Early Childhood Education. See the course equivalency database on Mainestreet at https://mainestreet.maine.edu to determine which EMCC courses will fulfill the UMF general education requirements:

- Two natural science courses, with a lab, in biology, chemistry, environmental science, geology or physics. Courses in two different science disciplines are required at UMF;
- Three social science courses in different areas. For students pursuing the preK-3 track, the courses must be in anthropology, economics, geography, history, political science, psychology, or sociology.
- One arts course in art, art history, music, music history, or theater;
- An advanced writing course; for students pursuing the preK-3 Certification this will fulfill their requirement by the state for a 2nd English course;
- Health/Physical education is waived for transfers with more than 60 credits;
- One math course;
- General Electives as needed to reach 40 credits in General Education.

Professional Education Requirements:

Candidacy

Students are eligible to apply for Candidacy upon the completion of Candidacy requirements. Applications for Candidacy are completed inTk20. Only students who have been approved for Candidacy are eligible to continue in their professional education program. Candidacy requirements are:

- Completion of the Candidacy application
- Cumulative GPA of 2.750 or higher
- Grade of B- or better in all professional education courses.

(A student may have one exemption, although the student must earn a grade of C- or higher in that particular course. Practicum courses are not eligible for exemption.)

- Grade of C or better in English 100
 - (AP credit is accepted, as is an equivalent English course transferred with a grade of C or higher.)
- Successful completion of practicum/practica with a grade of B- or higher
- Successful completion of the Teacher Candidate Dispositions and Professional Expectations Assessment

UMF Graduation Credit Requirement:

Total credits needed for graduation from UMF – 120 credits with a cumulative GPA of 2.75 or higher.
