

TRANSFER AGREEMENT FOR BACCALAUREATE DEGREE

Washington County Community College & University of Maine Farmington

Statement of Purpose

The purpose of this agreement is to facilitate student academic transfer and provide a smooth transition from Washington County Community College (WCCC) to the University of Maine Farmington (UMF). It is recognized that this agreement shall describe the required program of study at WCCC for admission eligibility to University of Maine Farmington and the degree program indicated.

Terms & Conditions of Academic Credit Transfer

To: Bachelor of Science Early Childhood Education, PreK-Grade 3 Certification, UMF
From: Associate in Applied Science Early Childhood Education, WCCC

The evaluation and transfer of earned college credits shall be in compliance with state and federal education policies and institutional and academic program accreditation standards pertaining to undergraduate academic transfer. Current students and graduates who have earned degrees from Washington County Community College shall be eligible for credit evaluation under the terms of this agreement.

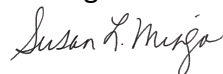

Transfer students will be accorded the same standards and criteria for admission to a major degree sequence as UMF students. All applicants accepted to University of Maine Farmington's Baccalaureate programs must fulfill the graduation requirements of the granting institution as identified in Appendices A, B & C.

Articulation Implementation and Agreement Review

The Chief Academic Officer designee of the collaborating institutions shall be responsible for implementing this agreement, for identifying and incorporating any changes into subsequent agreements, and for conducting a periodic review of this agreement.

Signatures to this Agreement

This agreement becomes effective September 1, 2023 and will be reviewed Spring 2026 for renewal discussion.

APPENDIX A

Admission & Graduation Requirements of the Receiving Institution

This agreement includes specific requirements for admission into a program, outlines requirements, and indicates which degree or diploma can be used to meet program prerequisites as well as general education, major or program, and graduation requirements.

Admissions Requirements

Successful completion of the WCCC Associate in Applied Science Early Childhood Education, submission of a completed admission application, application fee (currently waived), official transcripts from all colleges attended, and other supporting materials. For coursework to transfer to UMF, a student must earn a grade of C- or better.

Requirements for the Bachelor of Science Early Childhood Education, PreK-Grade 3 Certification (See Appendix C)

The information contained in Appendices A, B & C is accurate for:

WCCC catalog year 2023-2024: [WCCC Catalog](#)

UMF catalog year 2023-2024: [UMF Catalog](#)

Residency Requirement

All students in baccalaureate degree programs must earn the following from the University of Maine at Farmington:

- 1) a minimum of 12 of the credits required by their major program(s) at the 200 level or above*
- 2) a minimum of 30 of the total required credits

*An academic program may require that more than 12 credits of advanced coursework and/or specific coursework, such as a capstone course, be completed at UMF.

Additional courses at WCCC may meet general education requirements—see current course equivalency tables on Mainstreet at <https://mainstreet.maine.edu>

Note: A course grade of C- or higher is needed for a course to transfer to UMF. A grade of C or higher is needed for ENG 100, and after transfer, a grade of B- or higher is needed in all Early Childhood Education professional education courses to satisfy UMF’s Early Childhood Education program requirements

Note #2: If students do not complete the recommended courses, they will need to work with their UMF advisor to ensure that General Education requirements are met.

General Education Requirements for the Bachelor of Science in Early Childhood Education at UMF:

General education courses must total 40 credits. In addition to requirements satisfied by completion of WCCC's AAS in Early Childhood Education, UMF students must take additional courses, including:

- One additional natural science course, with a lab, in biology, chemistry, environmental science, geology or physics. Courses in two different science disciplines are required at UMF;
- One or two additional social science courses. Courses in three different social science disciplines are required at UMF. (If pursuing Birth-Kindergarten, State 081 Certification, one of the social sciences must be from the state approved list: anthropology, economics, geography, history, political science, psychology, or sociology; If pursuing the preK-Grade 3 , State 029 certification, two courses must be from the state approved list);
- One arts course in art, art history, music, music history, or theater;
- An advanced writing course;
- One additional mathematics course for students pursuing preK-Grade 3 Certification.

Professional Education Requirements:

To enroll in professional education courses at the 300 level or above students must earn Candidacy in Education, which includes achieving some specific course grades (see note above), completing all required practica with satisfactory professional dispositions, and having a 2.75 GPA overall in UMF courses.

Prior to Student Teaching and for teacher certification, students in the Early Childhood Education Program preK to Grade 3 must:

- complete all required UMF professional education courses with grades of B- or higher,
- achieve a cumulative GPA of 2.75 or higher, and
- be fingerprinted and have a Criminal History Record Check.

UMF Graduation Credit Requirement:

Total credits needed for graduation from UMF – 120 credits with a cumulative GPA of 2.75 or higher.
