What Will Give Our Plan a Strong Foundation

Strategic Plan

- Focus Groups
- Individual Contributors
- Surveys
- Artifacts Review
- Interviews
- Market Research
What Will Make Our Plan Comprehensive

- **Encompassing Goals**
  - Comprehensive
  - Substantive

- **Clear Objectives**
  - Specific and Results Focused
  - Observable and Measurable

- **Specific Tactics**
  - Tailored to the UMF World
  - Realistic and Actionable

- **Execution Roadmap**
  - Timeline and Milestones
  - Accountabilities and Performance Metrics
What Will Make Our Plan Uniquely Appropriate: Core Concepts

- Bold Approach: Managed Decline vs. Real Progress
- Meets Critical External Purposes and Expectations
- Leverages UMF’s Strengths
- Addresses UMF’s Weaknesses and Vulnerabilities
- Exploits Small School Benefits, Big University Opportunities
- Makes Practical and Beneficial Trade-Offs
- Incorporates Disciplined Decision-Making and Management
- Strengthens UMF’s Position in the System
- Makes Support Requirements from System Unambiguous
What Will Make Our Plan Become Reality: **Structure & Culture**

**STRUCTURE**
- School of Education
- Dirigo College

**CULTURE**
- Accountability
- Honest Communication
- Financial Literacy
- Interdisciplinary Collaboration
- Advising and Mentoring
- Commitment to Excellence
Goals
Reimagining the University: Goals

Student Engagement & Success
Community Engagement
Long-term Sustainability & Growth
Goal 1 | Student Engagement & Success

Description: We will be known for providing our students with all the benefits of a small school distinguished by excellent advising and mentoring, engaged faculty, and a robust campus life, along with all the opportunities afford by our membership in the University of Maine System, equipping our graduates with lifetime critical thinking, technological, and practical skills that will ensure their economic futures and their ability to contribute both in their careers and as citizens.
Goal 2 | Community Engagement

**Description:** We will engage with all of the communities of which we are a part: our own campus community, bringing together faculty, students, staff, and alumni to create a trusting mutually supportive team working towards the same goals; our System community, cooperating and collaborating actively with our sister universities and System leadership to realize the goal of a productive citizenry; and our local and regional communities, working with them to strengthen our collective social and economic health.
Description: We will be committed to a disciplined, data-driven, and strategic approach to all our actions, we will be transparent in the management of the financial resources entrusted to us, we will each take responsibility for helping make smart choices on the use of our assets, we will take the difficult but necessary decisions, and we will regard ourselves as trustees not just for the present day, but for the years to come, measuring our success not on where the University is today, but where it will be as it enters its third century.

Leverage UMF Strengths and Assets

(Objectives are inter-dependent and connected)
Goal 1 | Student Engagement & Success

- **Objective 1.1: Campus Life**
  Enhance the student experience through meaningful engagement and social activity on campus.

- **Objective 1.2: Experiential Learning**
  Provide experiential learning opportunities which benefit the UMF community.

- **Objective 1.3: Interdisciplinary Collaborations**
  Pioneer an educational experience for students that integrates interdisciplinary curricula across the University.

- **Objective 1.4: Student Success**
  Create an environment that supports healthy academic, professional, and civic success.

- **Objective 1.5: Retention & Graduation Rates**
  Strengthen efforts to educate, retain and graduate a diverse body of students.
Goal 2 | Community Engagement

- **Objective 2.1: Advancement & Alumni Engagement**
  Promote a culture among the alumni and community partners that inspires philanthropic support of the university.

- **Objective 2.2: Internal & External Communications**
  Enhance and sustain an effective infrastructure to support and coordinate effective internal and external communications.

- **Objective 2.3: Partnerships**
  Enhance and build new partnerships with community, business, and governmental organizations in support of our mission.

- **Objective 2.4: Regional Economic Development**
  Serve as an “Anchor Institution” and contribute to the health and well-being of the community and people we serve.

- **Objective 2.5: Sustainable Campus**
  Advance sustainability and energy conservation initiatives at UMF through academics, research, co-curricular activities, and campus infrastructure.
Goal 3 | Long-Term Growth & Sustainability

• **Objective 3.1: Diversity, Equity, & Inclusion**
  Foster a culture of inclusion whereby people of all backgrounds who live, learn, and work at UMF feel welcome and valued.

• **Objective 3.2: Optimize Enrollment**
  Achieve a robust and diverse enrollment of students while enhancing access, affordability, and academic quality.

• **Objective 3.3: Financial Stewardship**
  Align resources to achieve and maintain long-term fiscal sustainability.

• **Objective 3.4: Data Driven Decision Making**
  Enable better support of university decision-making at all levels through the collection, management, analysis, access and communication of institutionally generated data.

• **Objective 3.5: System Alignment**
  Improve alignment with the System through curricular collaboration with other campuses and pursuit of designated subject matter leadership.
Objectives & Tactics
Goal 1 | Student Engagement & Success

Objective & Tactics:

• We will increase student Retention & Graduation Rates
  – Improve student retention rate to 80%
  – Improve graduation rates by +30%
  – Provide training and certification for all academic advisors, including professional staff and faculty, to ensure consistent and accurate academic advising
  – Implement enhanced student-at-risk strategy
  – Ensure all students, whether living in residence or off campus, are integrated in activities to build life-long networks, interpersonal skills, and career readiness, such as social events, student clubs, study groups, volunteering, community service, internships and more

• We will increase efforts to retain and graduate students
  – Develop and promote efforts to provide collaborative and innovative student engagement in and out of the classroom
  – Employ coordinated, data-driven advising that uses intentional intervention milestones for designated populations
  – Enhance student experiences University-wide by enhancing academic learning environments and increasing participation in living/learning communities, student organizations, and campus life programs
  – Create and upgrade existing facilities, including student recreation and intercollegiate athletics facilities
Goal 1 | Student Engagement & Success

Objectives & Tactics:

• We will enhance the student experience through meaningful engagement and high-impact practices
  – Lead a campus-wide effort for holistic well-being
  – Develop and sustain diverse programs and community-building initiatives to create a better sense of belonging for students – especially those from marginalized and underserved populations
  – Promote engagement with UMF through traditions, student organizations, athletics, and community gathering spaces
  – Cultivate virtual and in-person programs and physical spaces that promote a sense of belonging, opportunities for socialization, and community development
  – Increase partnerships both inside and outside of UMF, including local, regional, national, and global communities
  – Develop and improve physical spaces, including upgrading the FRC, Residence Halls, Olsen Memorial Student Center, Athletics, etc.
Goal 1 | Student Engagement & Success

Objectives & Tactics:

• We will pioneer an educational experience for students that integrates interdisciplinary curricula across the university
  – Student engagement staff will work with other UMF departments (e.g., Athletics, Admissions, Advising, Academics, International Education) to foster relationships and collaboration opportunities, and to help educate one another on programs

• We will promote sustainability and energy conservation in the region through processes, policies, education, and collaboration
  – Promote recycling and the use of earth friendly products
  – Design new and major remodeled facilities to meet a minimum of LEED Silver certification
  – Enhance and improve storm water mitigation for the campus
  – Assess opportunities to utilize alternative energy sources
  – Analyze energy use in existing buildings
Goal 1 | Student Engagement & Success

Objectives & Tactics:

• We will create an environment that supports efforts toward academic, career, social and civic success
  – Use social media to recruit, retain and undergraduate, graduate, and life-time learning students
  – Increase articulation agreements with community colleges
  – Increase student participation in student activities and organizations
  – Increase availability of student need-based scholarships by 20%
  – Improve academic support programs
  – Increase number of on-line course and degree offerings

• We will enhance and sustain an effective infrastructure to support and coordinate internal communications among faculty and staff…
  – We will develop and sustain an effective infrastructure to support and coordinate academic community engagement among faculty and staff
  – Improve our ability to share information and more efficiently coordinate UMF’s activities in the community both internally and externally
Goal 1 | Student Engagement & Success

Objectives & Tactics:

• We will revise our course scheduling model that provides for:
  – An extended teaching day
  – A more even and efficient distribution of courses across the days of the week and hours of the day
  – Increased flexibility in types of course time slots, especially in the earlier and later parts of the day
  – Formalization of Saturday scheduling options

• We will create a safe, health, and sustainable environment for our students
  – Employ high levels of sustainability modeling through support of student activism, ethical stewardship of UMF resources, leadership in green initiatives, and implementation of value-based built environments
Goal 1 | **Student Engagement & Success**

**Objectives & Tactics:**

- **We will maintain status as one of the most affordable and financially accessible institutions of higher education in Maine**
  - Increase percentage of donated funds used for student scholarships by a minimum of 5% annually
  - Increase external funding by 2% annually, including federal, state, private and corporate grants, for innovative university priorities

- **We will foster a culture of inclusion whereby people of all backgrounds who live, learn, and work at UMF feel welcome and valued**
  - Develop a university-wide Diversity and Inclusion Strategic Plan
  - Increase underrepresented faculty and staff by 20%
  - Ensure Diversity and Inclusion Action Team includes representative of each University college, school, department, and/or division
  - Establish a Resource Center to undertake initiatives that promote diversity and inclusion among students, faculty, and staff
  - Develop new programs (e.g. events, activities, learning communities, tutoring sessions, workshops, etc.) per to aid in the retention and graduation of underrepresented students
Goal 1 | Student Engagement & Success (contd.)

Outcomes:

• Improved access (inquiry & admission) to the university and its programs
• Increased total enrollment
• Increased persistence, retention, and graduation rates
• Increased enrollment in distance education courses
• Decreased time to graduation
Goal 2 | Community Engagement

Objectives & Tactics:

• We will advance our efforts to be more clearly identified as an anchor institution and the premier regional university in the state. We will communicate UMF’s story effectively to the world…

  – Recruit a prepared, intellectually curious, diversified student body
  – Improved system alignment (3 vs. 4 credit hours, distance learning, etc.)
  – Develop a comprehensive plan for online, hybrid and flexible high demand programs to serve the diverse needs of current and prospective students
  – Develop stronger relationships with key K-12 and Community College institutions to identify promising recruits
  – Strengthen presence in Eastern Maine-area schools through expansion of Early College and Guided Pathways
  – Implement dual-enrollment program with all Community College partners institutions that includes dual advising
  – Update and manage articulation agreements and curriculum maps to facilitate transfer of Community College students
  – Evaluate and opportunity to enter into an agreement with a Community College partner to co-locate their campus at UMF facilities
  – Focus community engagement and recruitment resources in key regional international/migrant communities
Goal 3 | Long-term Sustainability & Growth

Objective & Tactics:

• Ensure better System alignment by resolving 3 vs. 4 credit hours issue

• We will implement a comprehensive stewardship plan to increase donor engagement and continued giving

• We will foster a culture of robust engagement & donor centered philanthropy
  – Align fundraising with University strategic priorities
  – Provide a base of annual philanthropic support of University operations and develop campaign plans to support future strategic objectives
  – Prepare the University for targeted and comprehensive capital campaigns
  – Engage all segments of the University in philanthropic activity
Goal 3 | Long-term Sustainability & Growth

Objective & Tactics:

• We will research and design a funding strategy to support student experiential learning and professional development
  – Inventory existing funding options within the University, the local community, and national grants
  – Advancement and Alumni Relations staff to discuss fundraising methodologies

• We will raise capital to renovate our existing campus by making a compelling case for UMF’s future
  – Establish a Center for First-generation Student Success
  – Complete fundraising feasibility study
  – Increase environmental sustainability of campus
  – Pursue and meet capital campaign goal of $10 Million
Goal 3 | Long-term Sustainability & Growth

Objective & Tactics:

• We will increase Research opportunities for faculty and students...
  – Create a formal Research Support Partnership with UM to provide administrative support for transformative research projects, and to help with securing long-term research funding
  – Develop further opportunities for experiential and community-based learning with volunteer and internship opportunities that connect the classroom to the community, and the community to the classroom

• We will enable better support of university decision-making at all levels through the collection, management, analysis, access and communication of institutionally generated data
  – Implement student analytics
  – Increasing utilization of dashboards
  – Surveying decision-makers annually to ensure data collection and access needs are met
Goal 3 | Long-term Sustainability & Growth

Objective & Tactics:

• We will create a community that is Diverse & Equitable….
  – Increase enrollment of under-represented communities by 50%
  – Develop & Implement campus diversity and equity policy
Goal 3 | Long-term Sustainability & Growth

Objective & Tactics:

• We will enhance our *finance and budgeting processes* to ensure appropriate stewardship of financial resources
  – Improve understanding of budget, accounting issues, and financial planning at all levels
  – Implement ongoing programmatic and budgetary review processes for all units

• We will identify innovative opportunities to *increase financial resources* for UMF’s strategic priorities
  – Collaborate across campus to increase productivity in entrepreneurial activities, public, corporate, foundation grants, and contracts
  – Advancement to partner with other divisions to enhance our student-alumni programming and integration of parent and family outreach efforts

• We will develop, integrate, and coordinate *high-quality technology solutions* at all levels by investing in integrated solutions that have scale efficiencies, improve service quality, and enhance campus cybersecurity, while encouraging innovation that addresses specialized needs of units
  – Ensure all technologies and practices are current, dynamic, and appropriate
Goal 3 | Long-term Sustainability & Growth

Objective & Tactics:

• We will improve our facilities and continue maintenance and growth of university infrastructure
  – Expand, renovate, and upgrade facilities and capital equipment across all UMF campus
  – Develop a Deferred Maintenance Plan and a Preventative Maintenance Plan in order to decrease levels of unmet deferred maintenance year-on-year
  – Create a university-wide deferred maintenance process and appropriate budget
  – Track and updating classrooms and labs technology to ensure they are refreshed every five years

• We will ensure access to effective infrastructure for synchronous and asynchronous teaching
  – Require all videos involved with online classes be closed-captioned within two years
  – Allocate at least 1% of new building construction to accessibility needs
  – Create a five-year plan updated annually to address accessibility impediments across campus and improve faculty awareness of academic accommodations and assistive technology
Goal 3 | Long-term Sustainability & Growth

Objective & Tactics:

- **We will increase** the university’s *agility and innovation*, making it better able to respond to changes in the higher education market through aligning staff and faculty with changing needs
  - Convert face-to-face courses to online
  - Ensure at least 25% of on-site classes have an online component
- **Faculty and Staff will work together create an environment of excellence**
  - Revise new faculty mentor program
  - Increase interdisciplinary grant writing and submission
  - Establish faculty-staff forums
  - Improve lines of communication across all campus groups
  - Develop workshops or educational sessions for employee professional development
  - Use internal resources (i.e., knowledge and expertise of faculty and staff) to conduct workshops and sessions
  - Provide additional opportunities for university employees to “meet & greet” one another
  - Faculty and staff will recruit both high school and community college students, coordinating with the Division of Student Affairs and Enrollment Management
Goal 3 | Long-term Sustainability & Growth

Objectives:
- Faculty and Staff will work together create an environment of excellence
  - Revise New Faculty Mentor Program
